Ecological energy elixirs developed under the principles of Traditional Chinese Medicine. Each elixir belongs to an element, which in turn corresponds to one of the seasons of the year, and each elixir corresponds to one or more organs of the human body.

DESCRIPTION

Elixir number 2 governs the **liver and gallbladder**, they belong to the Wood element in Traditional Chinese Medicine, and correspond to the Spring season.

Elixir number 3 governs the **heart and the small intestine** that belong to the Fire element in Traditional Chinese Medicine, in correspondence with the Summer season.

Elixir number 5 governs the **spleen, pancreas and stomach**, which belong to the earth element in Traditional Chinese Medicine, in correspondence with the beginning of Autumn.

Elixir number 7 corresponds to **the lung and the large intestine** that belong to the metal element in Traditional Chinese Medicine, in correspondence with Autumn.

Elixir number 8 corresponds to the **lung and the large intestine** that belong to the Metal element in Traditional Chinese Medicine, in correspondence with the Autumn season.

Elixir number 9 corresponds to the **kidney and bladder** that belong to the water element in Traditional Chinese Medicine, in correspondence with the Winter season.

Elixir number 10 corresponds to the **kidney and bladder**, which belong to the water element in Traditional Chinese medicine, in correspondence with the Winter season.
