Abbot Kinney's is dedicated to making fresh vegan products such as yogurts, ice creams, desserts and drinks. Vegetable products are more sustainable, respectful of animal welfare and healthier than traditional dairy products made from animals.

DESCRIPTION

Abbot Kinney's produces food products with the best natural, organic and 100% vegetable ingredients. It offers us a wide variety of yogurts, ice creams, desserts and drinks that show us that the vegetable alternative is delicious.

Going from an animal diet to a **plant diet** will make us feel lighter, with more energy, and will also reduce the risk of cardiovascular disease, type 2 diabetes, and obesity.
