

## Solaire Spray SPF50 BIO 100 ml

EAN: 3700343096193

FABRICANTE: ACORELLE

Double sun and antioxidant protection, thanks to a mineral filter of 100% natural origin and a patented API Oléo Actif? active ingredient that prevents skin aging. Ideal for fair and sensitive skin, it immediately protects the body and face against UVA and UVB rays. High facial and body protection.

### DESCRIPTION

#### A FORMULA THAT COMBINES SENSORIALITY AND PROTECTION

This **SPF50 sun spray** provides high natural and immediate protection against UVA and UVB rays, thanks to its 100% natural mineral filter that does not cross the skin barrier (specific ex vivo test carried out by an independent laboratory). Effectiveness always demonstrated through standardized in vitro and in vivo tests.

Youthful capital is preserved thanks to a combination of protective and antioxidant active ingredients that prevent deep damage caused by sun exposure: Api Oléo Actif?, a patented complex resulting from a synergy of pollen and propolis that fights against the formation of radicals free, and organic Karanja Oil, used in Ayurvedic medicine for its extraordinary properties. The formula is also enriched with organic turmeric extract, with nourishing and protective properties, and raspberry seed oil that nourishes and softens the skin. Throughout the exposure, the skin is protected and hydrated.

#### A PRACTICAL AND PLEASANT FORMAT, FOR THE WHOLE FAMILY

This SPF50 Sun Spray is the ideal sun protection to protect the entire family, parents and children. The fluid texture is applied very easily thanks to the spray format and penetrates quickly for a result without a whitish, greasy or sticky effect. Its fragrance-free formula with a high protection index has been specially designed for very light, fair and sensitive skin of adults and children over 3 years of age. It is water and sweat resistant so you can safely enjoy your outdoor activities in summer and winter.

#### THE ENVIRONMENT AT THE CENTER OF OUR SUN PROTECTION

A precursor of natural sun protection, Acorelle has selected each of its ingredients for their biodegradable properties and the formula does not contain derivatives of petrochemical origin. But that's not all, our natural mineral filter is coated with an inert and hydrophobic substance capable of remaining on the surface of the water. This high water resistance allows most of the formula to remain on the skin's surface. the oceans and corals.

- TOCOPHEROL: antioxidant agent ? vitamin E.
- CURCUMA LONGA (TURMERIC) ROOT EXTRACT\*: Organic turmeric extract with antioxidant and protective properties.

Shake before using.

Apply the product in sufficient quantity (about 6 teaspoons for an adult) on the body before sun exposure.

Reapply frequently to maintain protection, especially after swimming, sweating, or towel drying.

Do not spray directly on the face. Avoid contact with the eyes. Choose a protection factor adapted to your skin type. Do not stay in the sun for too long even if you use a sun protection product and avoid exposing yourself between 12 and 4 p.m. Overexposure to the sun is a serious health threat. Not suitable for children under 3 years old. Do not expose small children and babies directly to the sun. It is highly recommended to wear a hat, covering clothing and sunglasses.
