EAN: 8436027341512 FABRICANTE: ALGOLOGIE

Treating Hair Fixer. Natural treating fixer: Hair gel made with natural products for all hair types and, especially, for oily, fine hair and hair with hair loss problems. It acts as a hair fixer, maintaining the style of the hairstyle while nourishing and protecting it from multiple external aggressions.

DESCRIPTION

Natural hair cosmetic that helps to recover devitalized and malnourished hair, leaving it looking totally renewed, healthy and with an incredible shine. 300 ml bottle.

Dermatologically tested.
Pleasant rosemary aroma.
CECO certified.
Suitable for vegans.

Directions for use: Apply one or two doses of the product to damp hair, shaping the hairstyle as desired. You can also apply it to undampened hair, allowing the product to dry, then brush it vigorously to make it airy and voluminous.

Ingredients:

Laminaria digitata extract: This is a brown algae rich in trace elements that contains up to 500 times more iodine than sea water and concentrates high amounts of trace elements (iron, copper, zinc, etc.), vitamins (A, group B, E, F, K and PP) and minerals (calcium, potassium, magnesium, etc.) with remineralizing and toning action. It also has sebum-regulating, moisturizing, soothing and purifying properties.

Spirulina Extract: Spirulina is a blue-green micro-algae that grows and reproduces in fresh water. The nutrients, vitamins A, B1, B2, E, and minerals make it an excellent natural supplement for hair. It provides vegetable proteins and essential amino acids, effective for both hair and scalp, keeping it healthy and nourished.

Quintessence of rosemary: It has properties that promote hair health, giving it a very special shine, preventing hair loss, and revitalizing and antiseptic properties, which stimulate hair roots, preventing problems such as hair loss and promoting hair growth. Rosemary stimulates blood circulation and thanks to this our hair looks healthy and silky, in addition, it has been shown to be very effective in darkening it, making it ideal for deepening brown or black hair, thus preventing the appearance of gray hair.
