

BPA Free Plastic Bottle

EAN: 362956

FABRICANTE: ALKANATUR

Plastic bottle free of BPA, phthalates or hormone disruptors.

DESCRIPTION

The Alkanatur BPA Free Bottle is a safe and healthy option for storing liquids:

- It's made with plastic that's free of BPA, phthalates, and hormone disruptors, making it a choice free of harmful chemicals.
- This bottle has been designed to maintain the antioxidant and alkalizing capacity of Alkanatur water for longer, ensuring that you can enjoy its benefits for longer.
- The Alkanatur BPA Free bottle has certifications that guarantee its quality and safety.
- It has a capacity of 1 liter, which makes it an ideal option to take with you anywhere.
- The Alkanatur BPA Free bottle is manufactured in Spain, ensuring high production and quality standards.
- It is important to note that this bottle is not dishwasher safe and hand washing is recommended to maintain optimal condition.
- In addition to being resistant, this bottle is ideal to take to work, to the gym or for children to take to school, offering a practical and healthy solution.
