

## Allicinmax 90 Capsules

EAN: 404000

FABRICANTE: ALLIMAX

*ALLICINMAX® is the only supplement that provides 100% stabilized allicin, extracted from fresh garlic. A patented extraction process results in stabilized allicin and preserves all its benefits in easy-to-swallow capsules designed for rapid absorption in the body.*

### DESCRIPTION

Information: If you are allergic, intolerant or hypersensitive to garlic, do not take ALLICINMAX® capsules.

**Active ingredients:** ALLISURE® powder based on garlic extract.

**Directions for use:** Adults: Take one or two capsules daily, just before or with meals. Up to ten capsules may be taken daily. Each capsule provides 180 mg of ALLISURE® Allicin Powder. Suitable for vegans. Consult your doctor if you are taking other medications.

### Ingredients:

- ALLISURE® powder (non-GMO potato maltodextrin, gum arabic, allicin).
- The vegetable capsule shell is of vegetable origin (hypromellose).
