Auroshikha manufactures and exports high quality incense, 100% natural, made after a laborious process of selecting ingredients, flowers, oils and aromatic resins.

DESCRIPTION

Manufacturers and exporters of quality incense since 1973 located in India.

In addition to incense sticks in a wide variety of fragrances, their products include incense cones, natural essential oils, scented oils, scented candles, and potpourri. All its products comply with the IFRA guidelines (International Fragrance Association, Geneva, Switzerland).

Auroshikha is renowned in India and abroad for the quality of its products.
