### DESCRIPTION

Babybio's Bipack Pear and Cinnamon Yogurt with Cow's Milk is made with excellent ingredients from organic farming. It is the perfect dessert or snack for your baby. These natural yogurts are a source of calcium, which contributes to the normal development of their small bones.

With our Pear and Cinnamon yogurt pots, your baby will be able to discover all the creaminess of this delicious original recipe made with the best cow's milk.

You will awaken your baby's palate with new flavors that will not leave your baby indifferent.

### What's so special about these yogurts?

They do not contain added sugars, can be stored at room temperature and are very practical for taking out of the house. This is an ideal product to start diversifying from 6 months of age.

### Did you know that babybio is the only brand that offers alternatives to dairy desserts with cow protein?

Yes, we also think about babies who are intolerant to cow protein.

For this reason, in the Babybio range of desserts you can find different flavours made with vegetable, goat or sheep milk. In addition, it is the only brand that offers dairy desserts in small glass jars, with sustainable packaging and in sufficient quantities to meet the expectations of all parents and fully enjoy every gourmet break with the baby.

The perfect snack to delight your baby's palate!

- No added sugars (they only contain naturally occurring sugars).
- Excellent pear and cinnamon flavor.
- Creamy texture.
- Source of calcium.
- GLUTEN FREE.
