

Magnesium Skin Body Lotion 180 ml

EAN: 5060148521251 FABRICANTE: BETTER YOU

Body lotion to soften the skin and improve its elasticity and relax muscles. Suitable for sensitive skin and dermatologically tested. Vegan formulation, free of palm oil and its derivatives.

DESCRIPTION

An incredibly effective, lightweight formula containing BetterYou Magnesium Oil and a combination of skin-friendly ingredients. Use daily to keep your skin nourished with this essential nutrient.

Designed for full body application, magnesium absorption begins when massaged into the skin. It retains moisture and provides effective absorption of magnesium.

Dermatologically tested, Magnesium Body Lotion has passed the most rigorous tests so you can be assured of its suitability and effective support for the most sensitive skin conditions and in the harshest modern environments.

Magnesium is a very powerful mineral that is involved in 325 chemical reactions in the body and helps with calcium absorption, the maintenance of normal bones and teeth, normal psychological function and the healthy functioning of the nervous system.

Magnesium also helps improve rest and recovery by helping to reduce tiredness and fatigue, balance electrolytes and maintain normal energy metabolism.

Previously known as Magnesium Skin Body Lotion, we have been carefully reformulating the product behind the scenes. We have removed 14 ingredients to create the cleanest and purest labeled lotion product possible.

The new formula is suitable for vegetarians and vegans and does not contain palm oil or palm oil derivatives.

We have also redesigned the packaging, which now uses a springless pump, making the recycling process much easier.

How to use

Apply 5 ml (4 pumps) all over the body and massage the skin well to stimulate absorption.

Magnesium Skin Body Lotion 180 ml

EAN: 5060148521251 **FABRICANTE:** BETTER YOU

After a shower or bath is a good time to apply it, as the skin is warm and the pores are open, which favors absorption.

Apply to any part of the body, avoiding delicate areas.

Focus on joints, muscles and problem areas.

Dose

5 ml (4 doses) of magnesium body lotion provides a minimum of 120 mg of magnesium.

Reapply whenever necessary.

Storage

Once opened, store at room temperature and out of direct sunlight.

Use within 12 months of opening.

Advisory information

For external use only. Avoid contact with eyes. Do not use on damaged or broken skin.

Keep out of the reach and sight of children.

The Magnesium Tingle

When you first apply it, you may feel a slight tingling sensation. This may indicate low magnesium levels and is a result of the magnesium being absorbed quickly through your pores. This will disappear with regular use and as absorption begins immediately, you can pat your skin dry with a towel after massaging.

Suitable for

- All ages.
- Use on sensitive skin.
- Use during pregnancy and lactation.
- Vegan.
- Vegetarian.
