

Sun Cream SPF 50 Alga Maris 50 ml

EAN: 3760211482169 **FABRICANTE:** BIARRITZ

Facial sunscreen SPF50. It offers ultra-natural, effective and certified organic protection.

DESCRIPTION

Organic Facial Sunscreen SPF50* is a versatile treatment that is both protective and moisturizing.

The organic facial sunscreen SPF50* immediately protects against UVA/UVB radiation thanks to the unique combination of mineral screens and Alga-Gorria®, a patented antioxidant extract of red algae from the Basque coast, which significantly prevents skin aging.

Enriched with organic aloe vera, known for its moisturizing and soothing properties, and organic plum and sunflower oils that provide comfort and flexibility.

Its formula effectively protects against the harmful effects of the sun and preserves the marine environment thanks to a committed, natural and water-resistant formula (and it's proven!).

It is used on the face.

The texture and the aroma?
Light texture, easy to spread.
Mineral sunscreen is fragrance free.

For whom?

Formulated for all skin types, the certified organic SPF50 facial sunscreen is particularly suitable for light skin and is ideal for all fragile and sun-sensitive skin. Also usable by pregnant and breastfeeding women.

*Organic formula certified according to Ecocert standard.

Sun Cream SPF 50 Alga Maris 50 ml

EAN: 3760211482169 **FABRICANTE:** BIARRITZ

Alga-Gorria®, extract of red algae (*Gelidium sesquipedale*) from the Basque coast: powerful antioxidant that neutralises free radicals to prevent cell damage and sun-induced skin ageing. Patented by Biarritz Laboratories.

100% natural mineral screens: they provide effective, immediate and natural protection from UVA and UVB rays. They reflect UV rays and remain on the surface of the skin.

Organic Aloe Vera: moisturizes and soothes.

Organic plum oil: nourishes and protects, leaving the skin soft.

Organic sunflower oil: moisturizes and nourishes the skin.

Committed to preserving the environment: a range of treatments tested in extreme conditions, whose non-toxicity has been demonstrated. To find out more about our studies, [click here!](#)

Laboratoires de Biarritz is committed to the planet, through well-designed packaging and a short manufacturing cycle.

Treatment developed in Biarritz, manufactured and stored in the Pyrénées-Atlantiques. 100% French manufacturing.

Well thought out packaging

Bottle containing recycled plastic.

Airless pump bottle: allows for good distribution in all positions, without waste. The formula is protected and helps minimize preservatives.

Cardboard case, printed with vegetable inks on paper from sustainably managed forests.

Application tips:

Scope of application: face.

Apply evenly and generously before exposure. Immediately protects the face.

Repeat use frequently in sufficient quantities and especially after each bath.

Avoid exposure between 12pm and 4pm, otherwise wear protective clothing.

Overexposure to the sun is a threat to health. Insufficient amounts of sunscreen significantly reduce the level of protection.

Commitment to the ocean***
