Biform® Slim Gummies is a food supplement based on glucomannan, without sugar and with sweetener, that helps you feel full and lose weight.

DESCRIPTION

What is Slim Gummies Biform?

Food supplement formulated with glucomannan, sugar-free and with sweetener, which helps you feel full and lose weight.

Glucomannan is a type of fiber (polysaccharide) extracted from the Konjac root. Being highly hydratable, in contact with water it swells, increasing its volume, which helps to:

- Provide a feeling of satiety.
- Reduce food intake.

What are the ingredients in Slim Gummies?

- Sweetener (maltitol syrup).
- Konjac glucomannan (Amorphophallus konjac Koch. root).
- Gelling agent (gelatin).
- Water.
- Natural aroma.
- Coconut oil.
- Anti-caking agent (carnauba wax).
- Dyes (anthocyanins, carminic acid).
