DESCRIPTION

Bimán has no added sugars in any of its shakes, bimanan is made **without palm oil** in practically its entire range of Bekomplet between meals. Bimanan is committed to **gluten-free products**. Even so, it must be remembered that bimanan products are part of a diet and it is important that they are combined with a varied and balanced diet. All bimanan products are made by expert nutritionists.

If what you want is to lose weight or maintain the figure, the **bimanan beslim** range is the one that will suit you best, bimanan beslim will help you eat well and you can choose from a wide variety of options: bars, shakes, creams and smoothies.

Bimanan beSlim is the range of meal replacements with which you can lose weight effectively, easily and safely. All bimanan beSlim products contain the nutrients you need and due to the wide variety you can find, it will be easier for you to achieve your goal.

On the other hand, bimanan offers you the beKOMPLETT range, which is a range of snacks that will help you control your daily calorie intake. **Bimanan beKomplett** are delicious bars with excellent flavors and snacks to take between meals with which you will have less appetite at the time of the next meal.

If, on the other hand, what you are looking for is to tone up your body, try **bimanan beFIT**, which is a high-protein range of bimanan, with a wide variety of delicious low-calorie and protein-rich products perfect for toning up. Among the bimanan befit products you will find shakes, creams, bars, cookies... all of them low in calories and rich in protein, to help you tone your figure.

Bimanan has nutritionists who are experts in nutrition and weight loss, so they know that sometimes something more is needed to achieve the weight loss you want. The range of **bimanan food supplements** is designed so that your low-calorie diet helps you lose weight effectively. You can find bimanan with fat-burning effect, bimanan blockers, draining bimanan...
