### Advantages:

The combination of **natural active ingredients in PHYTOBRONC** soothes and clears the airways, modulating both **dry** and **productive** coughs.

#### - In dry cough:

The mucilages present in **PHYTOBRONC** form a protective barrier on the irritated mucosa, protecting it from contact with irritating agents. They also lubricate the pharynx, reducing the friction that causes the cough reflex.

#### - In productive cough:

**PHYTOBRONC** promotes the thinning of mucus, making it more fluid, thus promoting its elimination.

Thanks to this triple action, they soothe irritation, facilitate the elimination of mucus and protect the mucosa.

**100% natural formula WITHOUT SUGARS OR COLORANTS. DOES NOT CONTAIN GLUTEN OR LACTOSE.**
