Confidence and serenity. Overcome your daily fears with Bach Flowers 20 Mimulus. Mimule in dropper.

DESCRIPTION

The flower of bravery and courage.

Do you often feel paralyzed by well-defined fears, such as fear of the dark, storms, or public speaking?

Bach Flower 20 Mimulus. Mimulus in organic drippers and Demeter from Biofloral helps you face and overcome your fears. You recover your audacity and your ability to reflect.

In a world full of uncertainties, the Bach Flower Mimulus presents itself as a subtle support that offers you courage. It plays a role in promoting confidence and serenity, thus allowing for a bolder and more peaceful life.

This preparation is inspired by the original method of Dr. Edward Bach and formulated in an artisanal way. This Brit highlighted the essential role of flower essences for emotional well-being. He identified 38 flowers, each of which points to different emotions.
