*Biokap is dedicated to hair care and coloring products. all their products are based on plant extracts, and are to enhance, strengthen and color the hair. There is a product for every need for every hair type.*

### DESCRIPTION

Biokap has been in the market for thirty years with its hair care and beauty products. All Biokap products are natural, for example, they use aloe vera to give it a protective action on the scalp, or the red vine, for a purifying effect and a strengthening action.
