

Nutricolor 5.05 Chestnut Light Brown Gentle Dye 140 ml

EAN: 8030243010445 FABRICANTE: BIOKAP

Biokap Nutricolor delicato hair dye. Formulation that does not contain paraphenylenediamines.

DESCRIPTION

Exclusive formula with plant-based ingredients and high skin tolerability, nourishes and repairs hair while perfectly coloring and covering gray hair. With TRICOREPAIR, a complex with rice proteins, willow derivatives and lipophilic fruit acids. Enriched with organic argan oil, it nourishes hair and makes it softer and shinier.

When to use it:

To cover grey hair perfectly from the first application, and for a long-lasting colour.

How to use it:

From today, using Biokap Nutricolor colours is even easier: simply insert the Nutricia bottle into the hole indicated on the back of the package and use the disposable protective cap supplied. Then mix the contents of the tube following the instructions on the leaflet. Choose the shade according to your amount of grey hair, following the instructions on the package.

Content:

Contains TRICOREPAIR, a complex with rice proteins with a revitalizing action, willow derivatives that protect hair color and lipophilic fruit acids that care for the scalp during the application of the dye. Due to its high content of unsaturated fatty acids and vitamin E, argan oil protects, restores and gives shine to brittle and fragile hair.

Warning :

No ammonia, resorcinol, parabens, fragrance or paraphenylenediamine*. Nickel-free and dermatologically tested. Before using the product, carefully read the instructions on the package.

Always perform a sensitivity test 48 hours before each application.
