

Nutricolor 8.03 Natural Light Blond Gentle Dye Blonde 140 ml

EAN: 8030243011268

FABRICANTE: BIOKAP

Exclusive formula with plant-based ingredients and high skin tolerability, nourishes and repairs hair while dyeing it and perfectly covering gray hair.

DESCRIPTION

Formulation that does not contain paraphenylenediamines. The exclusive formula with plant ingredients and high skin tolerability, nourishes and repairs the hair while coloring it and perfectly covering gray hair. With TRICOREPAIR, a complex with rice proteins, willow derivatives and lipophilic fruit acids. Enriched with organic argan oil, it nourishes the hair and makes it softer and shinier.

When to use it

To cover grey hair perfectly from the first application, and for a long-lasting colour.

How to use it

From today, using Biokap Nutricolor colours is even easier: simply insert the Nutricia bottle into the hole indicated on the back of the package and use the disposable protective cap supplied. Then mix the contents of the tube following the instructions on the leaflet. Choose the shade according to your amount of grey hair, following the instructions on the package.

Content

Contains TRICOREPAIR, a complex with rice proteins with a revitalizing action, willow derivatives that protect hair color and lipophilic fruit acids that care for the scalp during the application of the dye. Due to its high content of unsaturated fatty acids and vitamin E, argan oil protects, restores and gives shine to brittle and fragile hair.

Warning

No ammonia, resorcinol, parabens, fragrance or paraphenylenediamine*. Nickel-free and dermatologically tested. Before using the product, carefully read the instructions on the package.

Always perform a sensitivity test 48 hours before each application.

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20241122
