

## Litrip 30 Capsules

EAN: 8427268030235 FABRICANTE: BIOSERUM

*Sinetrol® is a compound based on citrus polyphenols and guarana that promotes an improvement in metabolic processes.*

### DESCRIPTION

Weight gain can be addressed by changing dietary habits and encouraging physical activity. Nutritional supplements can help a person achieve a slightly greater weight loss than with diet alone.

Among the supplements we can find thermogenic and lipolytic formulas that will help activate the metabolism and promote the loss of fat deposits.

Thanks to the sum of these two processes, the body increases its energy consumption.

Litrip is a formula based on Sinetrol and African Mango.

Sinetrol® is a patented formula of citrus polyphenols. A clinical study was conducted in which Sinetrol® was able to significantly decrease body weight (-3.75%), abdominal fat deposit (-9.74%), as well as waist (-7.50%) and hip (-5.33%) circumference. In addition, metabolic parameters were significantly improved and skeletal muscle catabolism was retained.

Body fat decreased with a significant difference of 5.53% and 15.6% after 4 and 12 weeks, respectively, while body weight decreased with a significant difference of 2.2 and 5.2 kg after 4 and 12 weeks, respectively.

### Ingredients

For two capsules:

Standardized nebulized extracts of:

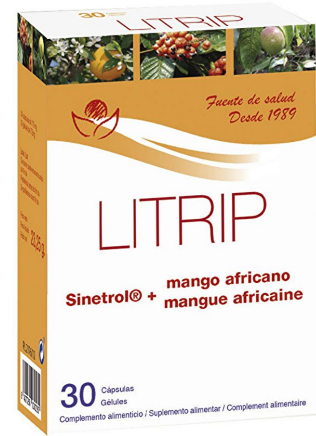

- Citrus fruits and guarana (Citrus sinensis L. Osbeck, Citrus x paradisi Macfad., Citrus grandis L. Osbeck, Paullinia cupana Kunth) Sinetrol® 900 mg
- African mango (Mangifera indica L. sub. Africana) 300 mg.
- Maltodextrin.
- Anti-caking agent (silicon dioxide), capsule (vegetable gelatin).
