

Micionat 40 Capsules

EAN: 8427268070231 FABRICANTE: BIOSERUM

With extracts of horsetail, corn stigma, orthosiphon and goldenrod. For fluid retention and urinary tract.

DESCRIPTION

A sedentary lifestyle, age, diet, poor circulation or excess weight cause us to retain water in the body and it accumulates easily in the legs and ankles.

Frequent intake of diuretic medications can cause excessive dehydration and dry skin. For this reason, it is preferable to have a diet rich in foods or natural extracts that promote diuresis in a more natural and gradual way (pineapple, asparagus, onion, etc.).

With orthosiphon that contributes to good liver function.
