EAN: 5412360020935 FABRICANTE: BIOTONA

Biotona Supergreens contains 100% green foods and each one provides a long list of phytonutrients and naturally occurring nutritional substances.

DESCRIPTION

Biotona Bio Supergreens Raw is a premium blend of the finest organic and fresh green superfoods! Biotona Supergreens contains 100% green foods, each providing a long list of naturally occurring phytonutrients and nutritional substances. Biotona Supergreens contains only wheatgrass, oat, alfalfa, khorasan kamut® and barley grass juice powder. The blend also contains chlorella and spirulina, two super algae that, thanks to their protein-rich nutritional composition, constitute a complete and optimal food source. It also contains freeze-dried broccoli, kale and spinach powder, which are full of precious substances for the body. A duo of Scottish seaweeds (fucus and goemon, the two sea vegetables called Seagreens®), complete the formula, each providing a unique and complex nutritional profile. With the addition of 100% pure Matcha green tea from Japan, watercress grown in spring water and, last but not least, Moringa oleifera leaves, “the tree of life” with multiple virtues.
