Bioturm is dedicated to natural cosmetics, its products being ointments, creams, lotions, intimate hygiene products and shampoos for neurodermatitis, psoriasis, dry skin and very dry skin.

DESCRIPTION

BIOTURM GmbH was founded in 2001 by Martin Evers, who now has around 30 years of experience in natural foods and natural cosmetics. Their products are organic, the base of their products is Lacto-Active Intensive Active Complex, which due to its great effectiveness continues to be the active principle of Bioturm products.
