DESCRIPTION

What is Bonusan Omega 3 and what is it for?

Omega-3 from Bonusan is the basic supplement par excellence that covers your daily omega 3 needs. These easy-to-swallow pearls contain a powerful dose of 360 mg of EPA and 240 mg of DHA in the form of natural triglycerides, very good absorption. Thanks to its advanced filtration, this fish oil is extraordinarily pure and therefore odorless and tasteless. In addition, the fish used to make the oil has sustainable fishing certification (FOS, Friend of the Sea) and has a low carbon footprint. Therefore, a responsible option for you and respectful of the environment.

- Odorless and tasteless fish oil: optimal purity thanks to advanced filtration
- Powerful and well absorbed: 360 mg of EPA and 240 mg of DHA in the form of triglycerides
- Fish from sustainable fishing (Friend of the Sea) with a low carbon footprint.

What advantages does Bonusan Omega 3 have?

Omega 3 is essential as a basic supplement. In a single pearl you have the daily dose of 1000 mg of fish oil, which includes 360 mg of EPA and 240 mg of DHA. This fish oil, in its natural triglyceride form, is absorbed very quickly by the body.

Fresh fish oil is purified with advanced thin film technology, for optimal purity and a low TOTOX index. Our supplier is Friend of the Sea and MarinTrust certified, so Bonusan Omega-3 is a sustainable choice. Choose Omega-3 from Bonusan, with fish oil as it should be: pure, fresh and natural.

Reasons to choose Omega-3 from Bonusan:

- **Daily Plugin** . Bonusan Omega-3 covers your daily omega 3 needs with just one capsule a day.
- **Natural form** . The natural form of triglycerides is the one that is best absorbed in the body.
- **fresh oil** . This fish oil has a low TOTOX index and contains natural tocopherols that keep it fresh and stable, so it maintains its quality.
