

## Bifiselle 30 Capsules

EAN: 8437020459044

FABRICANTE: BROMATECH

*Bifiselle is a probiotic from the Bromatech laboratory, which in its formulation contains 4 different strains of bifidobacteria.*

### DESCRIPTION

The bifidobacteria genus is one of the most studied and used as probiotics due to its important beneficial functions both at the intestinal and extraintestinal level in all age ranges, especially in the pediatric and geriatric population.

What is Bifiselle used for?

Its formulation contains 4 bifidobacteria (*B. breve*, *B. lactis*, *B. longum* and *B. bifidum*), which can help moderate weight gain and improve the response to insulin during pregnancy, modulate the immune system and mature the digestive system during the first 1,000 days in babies.

Probiotic formulation containing 4 Bifidobacteria: *B. breve*, *B. lactis*, *B. longum* and *B. bifidum*. Every year, thanks to new research, the importance of the role of Bifidobacteria in health increases. Bifiselle is a probiotic for everyone, children, adults and seniors.
