

## Crispagyn Emollient and Repairing Cream 30 ml

**EAN:** 8437020459303 **FABRICANTE:** BROMATECH

*Emollient and repairing cream with natural ingredients. Indicated in case of dysbiosis in the urogenital area, especially for discomforts such as redness, burning, dryness or itching in the affected area.*

### DESCRIPTION

#### Application mode

Wash your hands properly before and after application. Spread a small amount of cream with your fingertips and spread it with a light massage on the affected area, twice a day, morning and night.

Suitable for all the family.

The presence of granules is due to a high concentration of *Lactobacillus crispatus*.
