DESCRIPTION

What is Captain's Kombucha Original Bio?

GUTsy Captain Kombucha is a delicious, lightly carbonated fermented beverage bursting with live bacteria. Kombucha, known as the "elixir of immortality" in ancient China, is an ancient drink. Kombucha Captain is authentic by using a natural fermentation process with SCOBY, a live culture of bacteria and yeast. It uses green tea and cane sugar, both 100% natural and organic ingredients. During fermentation, the SCOBY reduces the sugar content and produces beneficial enzymes and antioxidants. At the end of fermentation, natural flavors are added to the mix.

It is a biological, vegan product and follows a traditional fermentation method using SCOBY. In addition, its ingredients are 100% natural, low in calories and does not contain gluten, colourings, preservatives or artificial concentrates.

What are the ingredients of Captain's Kombucha Original Bio?

- Organic Kombucha (filtered water, organic cane sugar, 0.4% organic green tea, organic stevia leaves, kombucha cultures),
- bacillus coagulans
- Organic tea extract 0.05%.

What is the nutritional value of Captain's Kombucha Original Bio?

	PER 100ML OF KOMBUCHA
ENERGETIC VALUE	74 KJ / 18 Kcal
FATS	0g
OF WHICH SATURATES	0g
CARBOHYDRATES	4.4g
