Town:

Province: Madrid

Phone: +34 687 196 596

Foundation year: 0

Country: ES

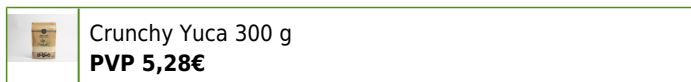

Web: <https://casanafoods.com/>

Casana is dedicated to the cultivation and production of cassava-based products. From cassava, Casana makes food supplements.

DESCRIPTION

Casana uses all the yucca that they grow and harvest themselves, following the traditions of a lifetime. Casana sows the yucca on a full moon, and uses all the necessary care until the yucca is ready to harvest a few months later, during the full moon. then it transforms and prepares it to make its food supplements.
