DESCRIPTION

Ingredients:

Organically grown black tea. Tea produced entirely according to fair trade standards. Visit www.info.fairtrade.net.

Cupper products are made with pure, natural ingredients. We only work with top-quality sources and do not include any artificial additives. So it's no wonder they taste so good...

Ethical product:

We build a fairer world, one sip at a time. Our partnership with Fairtrade began in 1994 and today we are very proud to be the largest Fairtrade tea brand in the world.

Cupper products are sourced and manufactured with a clear conscience. We constantly strive to improve the quality of life of workers, while contributing to the improvement of their education, health and housing conditions.

Preparing black tea: Always use fresh water, pour it over the tea bag while it is still boiling and let it steep for 2 to 4 minutes.
