Ethical product

Cupper products are sustainably sourced and manufactured. We only source from the highest quality sources. We constantly strive to improve the quality of life of our workers, while contributing to the improvement of their education, healthcare and housing conditions.

Preparation of specific infusions:

Always use fresh water, pour it over the tea bag while it is still boiling and let it steep for 3 to 5 minutes.

- **ORGANIC INFUSION:** Our Rise&Shine organic infusion is the true reflection of sunlight in a cup of tea. With a cheerful, lively flavour and a hint of lemon, it is the perfect drink to start the day with an extra dose of energy.
- **PERFECT PREPARATION:** Heat 250 ml of fresh water, not exceeding 100°C. Then, pour the tea bag into the water and let it infuse for 3 to 5 minutes to release all its aroma and flavour. It's ideal for breakfast!
