Delizum is a manufacturer of organic juices, nectars, creams and jams created from organically grown fruits and vegetables. Delizum uses glass containers, 100% recyclable and that maintain the properties of the fruit.

DESCRIPTION

Delizum uses for the production of its juices products from the Murcian garden, where the best fruits and vegetables grow, healthy products, which retain their high quality and unique flavor.

The entire range of Delizum products, juices, nectars, creams, jams, preserves, preserves and infusions have their own and differentiated identity, focused on offering the highest quality and the preservation of nature.
