

Plus 100000 Probiotics and Prebiotics 16 sachets

EAN: 8427729520381 FABRICANTE: DIRECT NUTRITION

The exclusive combination of 100 billion probiotic bacteria normalizes the body's intestinal and immune flora more quickly and sustainably.

DESCRIPTION

PLUS 100,000® is a multi-complex based on probiotics and prebiotics enriched with standardized grapefruit dry extract 10:1, which provides **antimicrobial, antifungal, antioxidant and anti-inflammatory activity, helping to balance the negative saprophytic flora and regenerate the positive intestinal flora**, preventing intestinal permeability. In this way, we can **avoid the negative effects of possible food intolerances and work on immunity** and processes related to poor intestinal flora.

It can be useful in cases of intestinal dysbiosis, **helping with dermatological, allergic and respiratory problems**. It offers **internal protection to the intestines**.

With **dry vanilla extract**.

The exclusive combination of **100 billion probiotic bacteria** normalizes **the body's intestinal and immune flora more quickly and for a longer period of time**.

With dry **grapefruit** extract that helps the **microbiological balance of the body** and with fructooligosaccharides that help intestinal health.
