Don Juan is a family business created in 1965 in a small town in the province of Seville, Estepa, located in the heart of Andalusia between the provinces of Seville, Granada, Córdoba and Málaga.

DESCRIPTION

Don Juan is synonymous with quality and refinement in the art of making traditional mantecados and Polvorones, as well as appetizing bonbons and chocolate snacks where the absolute protagonist is the hazelnut. Thanks to these products, Don Juan stood out for being one of the first in the Estepa area who opted for the export of their products and making them known outside of Spain. A long history full of experience and a clear commitment to innovation, enables us to offer the best sweets of our land through specialization and recognition of the best raw materials to achieve a quality product with the usual flavors.

Very well known are our traditional wine and almond roscos made with Malaga wine, almond powders and homemade mantecados. Currently the company has grown and has a wide range of exquisite and elegant specialties, including our famous FunBar bar made with crunchy wafer biscuit and filled with hazelnut cream; The elegant and tasty Crocanti chocolates with delicious hazelnut inside and a new line of crunchy wafer biscuit filled with cocoa cream and hazelnuts, ideal to enjoy with a good coffee.
