Organic beeswax and oils that moisturize and protect.

DESCRIPTION

Made with organic beeswax, they provide a protective barrier, without synthetic ingredients.

Organic jojoba, avocado and hemp oils help with extra hydration. Only the finest essential oils are used for fragrance.

Certified organic to USDA National Organic Program standards.

Uses

- To moisturize and heal cracked skin anywhere on your body.
- For dry hands or cuticles, chapped chins or cheeks.
- Heals newly tattooed skin and lightens old tattoos. For tattoo care, wash your tattoo with one of our soaps, pat the area dry, and apply a thin layer of organic body balm over the tattoo.
