Sucralose is the jewel of sweeteners. Use it in teas, coffees, smoothies, divine desserts, exquisite sauces, seductive cocktails, and more. Furthermore, with its resistance to high temperatures, it is the perfect companion in the kitchen, ensuring splendid results in baking and cooking.

DESCRIPTION

Dulcilight Sucralose Zero granules are derived from Cane Sugar, with no calories and no carbohydrates.

Dulcilight sucralose is 10 times more powerful than traditional sugar, which means that with one tenth you will achieve the same level of sweetness. For example, if you used 10 tablespoons of sugar, in your preparation with our sweetener you would only need 1 tablespoon!

Thanks to the plant fiber present in the Dulcilight Sucralose Zero formulation, you will not only enjoy its sweet flavor, but it will also contribute to reformulating your intestinal flora, encapsulating sugars and fats during their passage through the intestine. Perfect for your Keto and paleo diets.

Sucralose is the jewel of sweeteners. Use it in teas, coffees, smoothies, divine desserts, exquisite sauces, seductive cocktails, and more. Furthermore, with its resistance to high temperatures, it is the perfect companion in the kitchen, ensuring splendid results in baking and cooking.
