

Artichoke 60 Tablets

EAN: 8436572541405 FABRICANTE: EBERS

The Ebers artichoke is used for fluid retention, as a liver detoxifier. The artichoke stimulates the liver and gallbladder.

DESCRIPTION

Eber artichoke is an effective food supplement for **hepatobiliary disorders** in case of sluggish liver. By stimulating biliary secretion, it also acts on **constipation**.

The artichoke has a **purifying effect**, which is why it is widely used in **weight control diets**, to **eliminate liquids**.

The artichoke also has **hypocholesterolemic** properties, which have been demonstrated.
