

Digest Ultrabiotics 30 Tablets

EAN: 8420101215271 FABRICANTE: ELADIET

Food supplement that contains both probiotics and prebiotics, indicated to promote the balance of the intestinal microbiota.

DESCRIPTION

What is Digest Ultrabiotics and what is it for?

It is a food supplement with an abundant and diverse range of lactic ferments, comprising 11 unique strains with a total of 11 billion colony-forming units. The tablets are specially designed with a gastro-resistant coating that preserves their integrity while they pass through the stomach, thus guaranteeing their effective release in the intestine, thus serving to promote the balance of the intestinal microbiota.

What are the ingredients in Digest Ultrabiotics?

For 1 tablet:

- 168 mg of probiotic mixture (11,000 million microorganisms of 11 strains: B. Infantis; B. Lactis; B. Longum; E. Faecium; L. Acidophilus, L. Paracasei, L. Plantarum, L. Salivarius, L. Lactis, L. Sporogenes, S. Boulardii).
- 100 mg Fructooligosaccharides.
- 1.1 mg vitamin B1.
- 1.4 mg vitamin B2.
- 1.4 mg vitamin B6.
- 2.5 mcg vitamin B12.

What is the Digest Ultrabiotics dosage?

Take one tablet with a glass of water, at any time of the day.
