Regen Dol Flexi 14 Stick

EAN: 8420101216131   **FABRICANTE:** ELADIET

Food supplement that contributes to the normal functioning of muscles and bones and the normal formation of collagen, for the normal functioning of cartilage.

DESCRIPTION

What is Regen Dol Flexi and what is it for?

It is a dietary supplement that contains a combination of ingredients beneficial to the body. These include collagen, hyaluronic acid, turmeric, bamboo, vitamins, coenzyme Q10, magnesium (which is important for the normal functioning of muscles and bones), essential amino acids present in ligaments and tendons, and vitamin C (which contributes to the proper formation of collagen, essential for the normal functioning of cartilage).

Vitamin C contributes to the normal formation of collagen for the normal functioning of cartilage. Magnesium contributes to normal muscle function.
