

Microbiota Megaflora 9 180 Capsules

EAN: 8436003021001 FABRICANTE: EQUISALUD

It is a food supplement based on probiotics produced by Equisalud, which helps reinforce the activity of bacteria in the intestine. This product is presented in two formats, a smaller container that contains 60 capsules and a savings format container that contains 180 capsules.

DESCRIPTION

Microbiota Megaflora 9 contributes to improving decreased immunity, food intolerance and gastrointestinal disorders.

This product contains a probiotic and prebiotic mixture, in an organic and mineral matrix with ProbioAct technology, which synergizes its effect.

Instructions for use and recommended quantity

Take three capsules a day, both in children and adults, preferably on an empty stomach. It is recommended to take them together with water, milk or yogurt, to activate the probiotics. **Do not take more than three capsules a day .**
