Nipple care oil with Rosa Mosqueta and Karité. It is an intensive repairer that increases elasticity. Contains 100% natural ingredients.

DESCRIPTION

This oil has been specifically designed to hydrate and restore the nipples, while helping to increase the elasticity of the skin to prevent tearing. It is an intensive repairer recommended for pregnant women and lactating mothers who seek to care for and protect their nipples.

What are the ingredients of nipple care oil?

The formula is made up of a careful selection of natural ingredients, including virgin rosehip, olive and crambe flower oils, as well as shea butter, olive unsaponifiables and squalene. All these ingredients work together to offer intensive hydration and nutrition to the skin, helping to improve its elasticity and firmness.

How to use the nipple care oil?

It is recommended to apply the product on clean skin after breastfeeding and allow it to absorb. Any remaining residue can be removed with a bit of cotton. For best results, it is suggested to start applying the product 1-2 months before delivery.
