Espadiet manufactures food supplements and vitamin complexes. Espadiet's most outstanding products are apple cider vinegar in capsules for weight control, a cleansing drainer, slank water and royal jelly to strengthen the immune system.

DESCRIPTION

Espadiet was born in Badalona in 1989 as a distribution, importer and exporter of dietary products. It was later when it began to manufacture its own products, vitamins, food supplements, dietary products in general. They are currently investing in research and development of new natural supplements.
