

## ARTICHOKE COMPLEX 2300 mg EXT DRY 60 Caps BLISTE

EAN: 8435041324549    FABRICANTE: ESSENTIAL NATURE

*The artichoke complex has a diuretic action that is reinforced by the horsetail. It is very effective in weight control diets not only because of its artichoke composition but also because it contains garcinia. The artichoke complex is very effective against constipation, an action that is increased due to the fact that it also contains senna in its composition.*

### DESCRIPTION

The **artichoke from complex laboratories** is a very complete food supplement, in addition to artichoke in its composition it has horsetail, which reinforces the **diuretic** action of the artichoke and thus has a **detox** action, opuntia that is **hypocholesteromic**, garcinia that is diuretic and senna, Very effective in treating **constipation**. This complete composition makes it an excellent liver **detoxifier** in the case of fatty liver or lazy liver.
