*Felicia is an Italian factory that has a plant dedicated entirely to gluten-free productions. Its concept, development and production have always been based on a complete range of gluten-free pasta, starting from brown rice, corn, quinoa, buckwheat, amaranth, lentils, peas and others.*

### DESCRIPTION

Felicia pasta is the brand of Molino Andriani (Italy). Molino Andriani Srl was born in 2004. It is the only European company with a productive factory and a mill dedicated exclusively to gluten-free.
