

## Carbonalgue 45 Tablets 800 mg

**EAN:** 3700790001061 **FABRICANTE:** FENIOUX

*Carbonalgue® is a food supplement that combines alginates (algae extract) and calcium and magnesium carbonates. Calcium contributes to the normal functioning of digestive enzymes.*

### DESCRIPTION

Digestion is a process involving mechanical and chemical actions. Most chemical reactions are catalyzed by proteins: digestive enzymes. Anise flavor.

### Instructions for use

Suck or chew 1 tablet in the morning, at noon and at night 1/2 hour after meals and as needed.

### Warnings

If you are pregnant or breastfeeding, consult a health professional.
