

Fiori Mediterranei Formula A (Adolescence) 10 ml

EAN: 8023966900582 **FABRICANTE:** FORZA VITALE

A very important and delicate period, with difficult choices facing different paths.

DESCRIPTION

When the future presents itself as full of possibilities, challenges and dangers, but also of exciting opportunities, it is often unclear to teenagers, even though they are so committed to overcoming the transition phase towards adulthood.

Food product

Flowers contained: Centaury: To strengthen oneself and feel capable of deciding for oneself, even beyond the group.

Sweet Chestnut: To sweeten existential anguish.

Wild Oat: To illuminate the search for your own path.

Walnut: For adaptation in the tumultuous phases of your own personal change.

Vervain: For emotional excesses that require rebalancing.
