### DESCRIPTION

Lemon essential oil is a remineraliser. This product should not be understood as an iron supplement in mineral form. Iron-Vitale® - Forza Vitale uses in its own compounds specific mixtures obtained by a Spagyric-Alchemic elaboration, from plants characterized by an energetic macrocosmic signature, naturally containing traces of colloidal trace elements, such as to amplify the effect of the product on the specific organ or system concerned. These naturally obtained food additives act as a support to transport the biochemical principles of the extract and guarantee the energetic stability of the Spagyric product.
