

Les Castanea Vesca 50 ml

EAN: 8023966800103 FABRICANTE: FORZA VITALE

Food supplement made from chestnut derivatives.

DESCRIPTION

The elective indication for Castanea Vesca buds is lymphatic stasis, especially if located in the lower limbs. They exert a lymphatic drainage action on varicose legs, significantly attenuating the symptoms responsible for edema and the painful sensation of heavy legs. Also useful in dysmenorrhea.

Indications

Mixed venous-lymphatic insufficiency; Lymphatic edema; Cellulitis; Calf cramps in women affected by lymphatic stasis; Subcutaneous angiocapillaritis; Paresthesias of the extremities.

Ingredients

Water, glycerol, alcohol, Chestnut (*Castanea vesca* Gaertn.) buds 10%, honey.

Instructions for use

Adults (Recommended dosage for subjects of normal weight) 25 drops 3 times a day.

Up to 12 years (Recommended dosage for subjects of normal weight) 10 drops 3 times a day.
