Rosemary Food Supplement.

DESCRIPTION

Rosemary essential oil has digestive and cholecystokinetic properties, containing the Earth element. Copper-Vitale®, Silver-Vitale®, Gold-Vitale® are three specific mixtures obtained by a Spagyric-alembic elaboration, from plants characterized by a certain energetic macrocosmic signature, naturally containing traces of colloidal trace elements, so as to amplify the effect of the product on the specific organ or system concerned.

These naturally obtained food additives act as a carrier for the biochemical principles of the extract and guarantee the energetic stability of the spagyric product. Together, these three compounds give life to the Earth element, which as such reflects the terrestrial affinities of Antimony.

The Earth presides over harmony, exchanges, and communication. The reference thought is that of accepting everyday events, converting them into normal daily life, freeing the body from all those toxins accumulated due to stress and everyday impurities.

WARNING: Its use is not recommended during pregnancy and breastfeeding.

Ingredients: Alcohol, Rosemary (Rosmarinus officinalis L.) ae 1%, mixture of natural aromas.
