FABRICANTE: FORZA VITALE

Pineapple Food Supplement, promotes digestive function.

DESCRIPTION

In the stem, which bears the fruit, researchers have discovered ferments (bromelain) and enzymes that accelerate the assimilation of proteins. These break down starch and glycogen into maltose molecules. This property favors digestion and improves fat burning, helping to reach and maintain an ideal weight. Also important is its fiber and trace element content.

Ingredients: Water, alcohol, Pineapple (Piña comosus L.) stem 20%, honey.
