

## Sys Crespino 50 ml

EAN: 8023966701066

FABRICANTE: FORZA VITALE

*Berberis dietary supplement, promotes digestive and liver function.*

### DESCRIPTION

#### Ingredients

Water, alcohol, Berberis (Berberis vulgaris L.) root bark 20%, honey.

#### Bibliographic Notes

It is a thorny shrub, up to three metres high, with small, shiny leaves, bordered by thorny lashes. The substances contained by the Crespino are: berbamine, berberine, berberubine, columbamine, hydrastine, iatrorizine, oxycanthine, palmatine.

It acts as a vasodilator, slows heart rate, stimulates intestinal functions, reduces bronchial vasoconstriction, and kills skin bacteria.

Do not take during pregnancy and in chronic disorders of the gastrointestinal tract, such as duodenal or gastric ulcer, esophageal reflux, ulcerative colitis, diverticulitis.

#### RECOMMENDED DOSAGE:

- Adults: (Recommended dosage for subjects of normal weight) 25 x 3 drops x times a day.
- Up to 12 years: (Recommended dosage for subjects of normal weight) 10 x 3 drops x times a day.
