

Sys Epilobio 50 ml

EAN: 8023966701103

FABRICANTE: FORZA VITALE

Epilobium Food Supplement, promotes prostate function.

DESCRIPTION

Various varieties of this plant grow in Central Europe. At one time, the small fireweed was looked down upon because it grew back in the garden among the vegetables. The flavonoids it contains, in particular derivatives of camphor oil, quercetin and myricetin, β -sitosterol, various sitosterol esters, sitosterol glycosides and gallic acid derivatives, have a positive effect on the prostate.

Ingredients: Water, alcohol, Epilobium (*Epilobium parviflorum* Scherb.) tops 20%, honey.
