EAN: 8023966700861

FABRICANTE: FORZA VITALE

*Erysimum Food Supplement, emollient and soothing action on the oropharyngeal mucosa.*

### DESCRIPTION

The Erysimum owes its herbal fame to the precise property of relieving throat inflammations; also resolving hoarseness and aphonia, resulting from laryngitis, pharyngitis and tracheitis, acute or chronic, and in general irritations of the first airways. respiratory diseases, due to cough, flu and cold; Erisimum is also indicated to alleviate throat inflammation in smokers. The active principles of the plant are: glucosinolates, capable of releasing nitric and isothiocyanate metabolites, which act on respiratory tract pathologies, curarins, flavonoids, tannins. Researchers have now attributed to erysimum also antispastic properties of the biliary tract.

**Ingredients:** Water, alcohol, Erysimum (Sisymbrium officinale Scop.) flowering tops 20%, honey.
